FIRST 5 MONTEREY COUNTY BOARD BRIEFER

MEETING: Executive Committee Meeting – Monday, April 15, 2024

SUBJECT: Executive Director Report

POSSIBLE ACTION:

No action to be taken.

Commissioner Recusals: None

SUMMARY/DISCUSSION:

Updates on key activities are included below.

a. Sustainability Update:

- **Federal, State, and local Funding and Leveraging**

- Exploring several funding streams:

- We are still waiting to hear about application for Children and Youth Behavioral Health Initiative (CYBHI) for Round 3 – Early Childhood Wrap Around services with Centro Binacional for PAT (Parents as Teachers) home visiting services. If funded, the grant will support the start-up of a PAT affiliate with Centro and F5MC to continue serving as the capacity builder/connector for PAT services in the county. It will also provide some compensation for the other PAT providers in the county to mentor Centro as they start their program.
- F5MC continues to explore various opportunities with the changes to CalAIM including Community Health Workers (Home Visiting and Care Coordination) and Enhanced Case Management (ECM) to help our Funded Partners bill for care coordination services.
- As part of that effort, F5MC was part of a grant the Health Department submitted to provide the resources to establish an ECM HUB. We should hear about that grant in July.

- Collaborating with State Agencies

- F5MC continues to work with the First 5 Association and F5CA Commissioners to support statewide sustainability efforts including 1) Advocating for one-time funding for First 5's declining revenues and 2) Building a base of support via the introduction of AB2982 – Bright Beginnings Act (Assemblymember Reyes) to establishment a workgroup at the state level focused solely on 0-3.

- Local Agencies

- Staff are working with local MHSA staff to implement a 2-year contract for continued support of IFECMH training in the county. Contracts are expected in the total amount of \$200k over the 2 years -- \$100k per year.

- Individual Donors/ Grants

- Waiting to hear from:
 - Monterey Peninsula Foundation – applied for \$425k.
 - Packard Foundation new initiative – discussed continued support for current efforts while they build their new initiative. They will be funding in Monterey and Fresno Counties and the city of Oakland.

- Exploring reaching out to the California Endowment to support some of the access to health care and power building work that we are currently implementing.

b. Strategic Plan Implementation Update

- **Program and Operations Highlights**

- i. F5MC presented at two sessions at the First 5 California statewide conference in March and ED Rodd provided the land and labor acknowledgement at the beginning of the summit. One session was related to IFECMH and one was related to movement toward Medi-Cal billing.
- ii. The Big Lil will be meeting with staff in person on April 15th and 16th to continue to dig deeply into ways to support operational effectiveness.

c. Other Updates

FINANCIAL IMPLICATIONS:

There are no immediate financial implications from this discussion.
